When you get a great buy for machinery or livestock, you need to act now. You don't have time to wait for a loan approval from an out-of-town loan committee that gets together the third Monday after the second Tuesday of each month that has thirty days. How do we begin to thank everyone that made the auction for Christine Niedan a success?

First of all, a huge thank you to all the businesses and individuals that donated items for the auction. Everyone's generosity was heartwarming and overwhelming.

Next, thank you to everyone who bid on and bought items. That went totally beyond our expectations.

For all the people that helped set up, provided tables, dealt with bids, or helped in any way, we can't begin to thank you enough.

Thank you to Bill and Donna for doing the live auction on short notice. Words just can't express how much we appreciated all the support given to Christine via the auction.

God Bless!

The family of Pat Peters would like to say thank you to each and every one of you who reached out to us after her passing. We especially want to say a heartfelt thank you to the Philip Health Services. The care Pat received from the doctors, the nurses, the clinic and hospital staff and the staff at the Silverleaf Assisted Living Center was second to none. The compassion every person there showed over the last months, to not only Pat but to our entire family, was beyond comforting and for that we are truly grateful.

Thank you to DJ and the Rush Funeral Home for so kindly guiding us through this difficult time. We also want to say a special thank you to those from the St. Patrick's Catholic Church who helped with the music and luncheon for the service and to Father Tim Hoag for the kind message.

No words can ever express our true appreciation for the love and support everyone has shown to us and we want you all to know how lucky we feel to be part of such an amazing community.

Our Sincerest Thanks,
